Community Standards Bylaw Update

8. SNOW, ICE, DEBRIS OR OBSTRUCTION 8.1. All persons within the Town owning, controlling or occupying property that adjoins any sidewalks shall remove or cause to be removed and cleared away, all snow, ice, dirt, debris or other material from that part of the sidewalk adapted to the use of pedestrians. Water and Wastewater Bylaw updates

Water Bylaw #2019-16 and Wastewater Bylaw #2020-01 were passed at the Regular Meeting of Council on January 7 and January 21, 2020, respectively. Water rates are increasing \$0.05/m³ for residential, commercial and institutional customers due to a flow through charge from the Regional water supplier (CRNWSC). Due to an increased flow through rate from the Alberta Capital Region Wastewater Commission (ACRWC), there will be an increase of \$0.08/m³ for the consumption charge of the Town's waste water rates for residential, commercial and industrial. Bulk Water rates have also increased, to help with future infrastructure costs.
