

Town of  
**Bon Accord**  
building for tomorrow

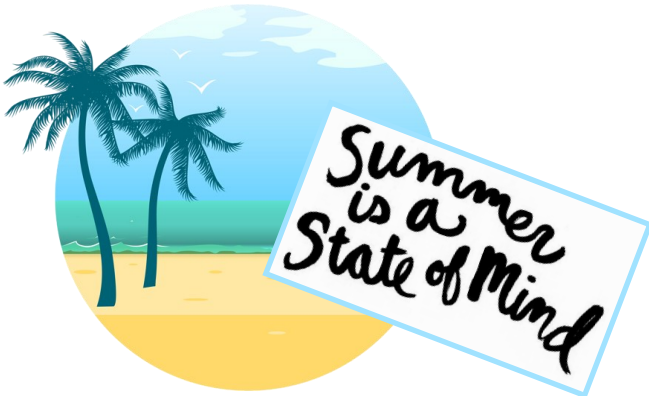

### **Photo and Video Contests**

There will be no winners for our photo and video contests as we received no submissions.

### **Lagoon Site**

In the past, as a courtesy, the Town has made the lagoon site available to dispose of tree and shrub trimmings. There will be no access to the lagoon site during the Solar Farm Project.

### **IMPORTANT: Town Office Open by Appointment Only**

We're back in the office! To properly socially distance residents in our small entry area, please call to make an appointment if you wish to enter the Town office. One person per appointment. Remember to wait outside, and not in the lobby. A staff member wearing PPE will admit you. All surfaces will be sanitized after each resident leaves.

### **Taxes**

During the Special Meeting of Council on April 7, Council passed Bylaw 2020-16, deferring the 2020 property tax penalty. Property taxes are due by August 31, 2020. The Town encourages those residents who are financially able to, to pay their taxes prior to the deadline. For more information about your property taxes, the TIPP program, or to make payment arrangements, please contact the Town office.

### **Solar Farm Project**

The Solar Farm Project is coming along nicely. Visit our website to view the progress video:

### **Utilities**

The utility deferral period has now passed. Penalties and water shut offs have been reinstated. Please note the next utility penalty date on your current enclosed bill. Contact the Utility Administrator at the Town Office if you have any questions or need to make payment arrangements.

### **Online Payments Coming Soon!**

The Town will soon be providing the option for online payments for taxes, utilities, applications, licenses and more through the secure Option Pay website. A link will be provided on our website once available. Stay tuned!
