## PROCLAMATION

### **PINK SHIRT DAY February 28, 2024**

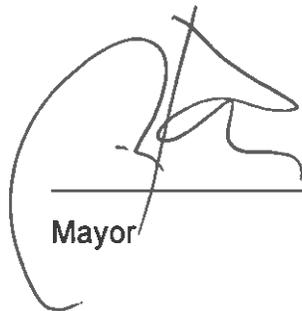

WHEREAS, Pink Shirt Day is observed on the last Wednesday of February each year across Canada and in countries around the world.

WHEREAS, the first Pink Shirt Day was established by Travis Price and David Shepherd of Berwick, Nova Scotia. In 2007, they bought and shared 50 pink shirts after Chuck McNeill, a male ninth grader, got bullied for wearing a pink shirt on the first day of school. The former Premier of Nova Scotia, Rodney MacDonald, then declared the second Thursday of September 'Stand Up Against Bullying Day' in commemoration of these events. The Premier of British Columbia in 2008, Gordon Campbell, finally announced February 27 to be the regional anti-bullying day, and that set the last Wednesday of every February as the national anti-bullying day in Canada. In 2009, Boys and Girls Clubs wore pink T-shirts that said 'Pink Shirt Day' and 'Bullying Stops Here' for Anti-Bullying Day.

WHEREAS, people wear pink shirts this day to signify the stand against bullying.

WHEREAS, Pink Shirt Day activities can take place at schools, workplaces, neighborhoods, or any peer group location. It usually involves abolishing bullying rallies, creating awareness, holding networking booths to help the community better understand the wrongs of bullying, and promoting anti-discrimination organizations. Other features include handouts, resources, and information promoting the message of the National Day of Action Against Bullying and Violence.

NOW THEREFORE, on behalf of Council, I, Mayor Brian Holden, do hereby proclaim February 28, 2024 as "Pink Shirt Day" in the Town of Bon Accord and encourage all citizens to observe this National Day of Anti-Bullying.

**REQUEST FOR DECISION**

<b>Meeting:</b>	Regular Council Meeting
<b>Meeting Date:</b>	February 6, 2024
<b>Presented by:</b>	Kaitie Blackwell, Corporate Services Supervisor
<b>Title:</b>	<b>Security Fee for Change of Registered Owner</b>
<b>Agenda Item No.</b>	6.1

**BACKGROUND/PROPOSAL**

At the Regular Meeting of Council January 16, 2024, the delegation, Lana McBride, presented to Council her request to have the Security Fee waived from her utility account. Mayor Holden moved that Council accept the delegation request as information and direct administration to waive any late fees for the utility account until the decision has been made and further that administration bring back at the February 6, 2024, regular Council meeting. Resolution 24-004.

**DISCUSSION/OPTIONS/BENEFITS/DISADVANTAGES**

*Please refer to the enclosed bylaw, "2024-01 Utilities Bylaw", for relevant sections highlighted in blue. They can be found on pages 2, 20, 21, and 26 of the bylaw.*

As stated in the Utilities Bylaw 2024-01, the Town of Bon Accord utilizes its right under the Water, Gas, and Electric Companies Act to charge a security deposit of \$200 for properties with a meter between the size of ½" and up to 1",

*Section 23: Before supplying water...to a building or as a condition of continuing to supply it, a company may require any consumer to give reasonable security for the payment of the proper charges of the company for it or for the carrying of the water...into the building.*

This Security Fee enables the Town of Bon Accord to ensure the collection of outstanding amounts for utility accounts. A final bill for an account is sent out after the owner has moved in order for us to capture their final water meter reading and bill accurately. When final bills are left unpaid, and the person no longer owns property within Bon Accord, there are fewer tools available to us to recover those outstanding amounts.

When ownership changes, based on the registered land title, a new utility account is created and the previous is final billed. This process ensures that the parties entitled to have their Security Deposit returned will receive it. The new owner is then charged based on the current fees set out in the bylaw.

As the Security Fee is intended to 'give reasonable security for payment' as described in the Water, Gas and Electric Companies Act, this amount has increased over time.

This process does not currently discriminate based on independent circumstances; it solely relies on land title ownership changes.

The Security Fee has proven to be a simple but effective way of minimizing loss through utility billing and ensures the appropriate parties receive the refund they are entitled to. If an alternative to this process is to be considered for case-by-case situations, it is of the utmost importance that the process could be administered in a fair and efficient manner.

Unfortunately, this public engagement required cancellation due to extreme cold.

**Public Participation Policy**

The Public Participation Policy includes the provision for quarterly Council Community Connections events as noted below:

*Council Community Connections Events:*

- 1. The Town Manager shall present an annual Public Participation Plan for Public Participation sessions entitled, "Council Community Connections".*
- 2. Council Community Connections Events will be held 4 times per calendar year.*
- 3. The Council Community Connections events will be held in person where possible unless extenuating circumstances require the event to be held virtually.*

**DISCUSSION/OPTIONS/BENEFITS/DISADVANTAGES**

**Hot Chocolate Event**

Our Community Services department had planned to incorporate a hot chocolate event with the January CCC. Council may wish to include this option in the next CCC. If Council would like to include hot chocolate, Saturday dates are recommended.

**Timeline Considerations**

Although the Public Participation Policy indicates the CCC will be held quarterly, Council may wish to cancel the CCC for the last quarter of 2023 via resolution, as it has been

postponed 2 months and another CCC is due to be scheduled in March to maintain the quarterly schedule in accordance with the policy.

### **Location**

Council Community Connections would be held in-person unless extenuating circumstances arise. Historically, these events have been held in Council Chambers during the cooler months.

### **Topics**

Council Community Connections offers residents the opportunity to bring forward any topic of their choosing and this informal, open dialogue format has worked well. Council may wish to select a topic for consideration or leave the topic open.

Once plans are confirmed by Council, administration will develop and circulate event communications.

### **Dates**

<b>Meeting Date:</b>	February 6, 2024
<b>Presented by:</b>	Jessica Caines, Legislative Services and Communications Coordinator
<b>Title:</b>	<b>Branded Apparel Policy Amendments</b>
<b>Agenda Item No.</b>	8.1

**BACKGROUND/PROPOSAL**

The Branded Apparel for Employees and Council Policy was approved in 2022. At the October 3, 2023 RMC, Deputy Mayor May brought forward a Notice of Motion regarding this policy, requesting the option for Council to bring in their own clothing to have it embroidered as well as revising the Council member allowance.

*DEPUTY MAYOR MAY MOVED THAT Council direct administration to create a Council Branded Apparel Policy. **Carried resolution 23-427***

At the December 5, 2023 RMC, administration brought forward a draft Branded Apparel Policy for council’s consideration.

*DEPUTY MAYOR MAY MOVED THAT Council direct administration to review the Branded Apparel for Employees and Council Policy and bring back to Council for the next regular meeting. **Carried resolution 23-528***

**DISCUSSION/OPTIONS/BENEFITS/DISADVANTAGES**

Administration found that much of the information in the policy was the same for Council and administration, therefore, separating employee and Council provisions in the existing policy would avoid redundancies.

The amended Branded Apparel for Employees and Council Policy is attached for Council’s review. Changes include:

- 4-year term allowance for Council in the amount of \$200, which equates to \$50 per year and is consistent with the \$50 per year allowance employees receive.
- The procedure will be separated into one for each: Employees and Council for ease of use and understanding, including revised Schedule “A” forms for payment.

Further revisions from the December 5 RMC include:

- Provisions that allow each Council member the ability to spend their full \$200 allowance at once anytime within their 4-year term.
- Provisions that address payments required should a Council member be unable to complete their full 4-year term
- Provisions that outline how to facilitate the annual allowance should a Council member be elected or appointed to complete the remainder of a 4-year term.

The revised policy was also brought forward at the January 24, 2024 Committee of the Whole Meeting for Council's review.

**TOWN OF BON ACCORD  
REQUEST FOR DECISION**

<b>Meeting:</b>	Regular Council Meeting
<b>Meeting Date:</b>	February 6, 2024
<b>Presented by:</b>	Jessica Caines, Legislative Services and Communications Coordinator
<b>Title:</b>	<b>Community Services Appreciation Award Policy Amendment</b>
<b>Agenda Item No.</b>	8.3

**BACKGROUND/PROPOSAL**

The Community Services Appreciation Award Policy was last revised in 2022. Submissions for this award must be submitted annually by February 28 or 29.

**DISCUSSION/OPTIONS/BENEFITS/DISADVANTAGES**

This policy is being brought forward to Council for a small amendment to remove the requirement that the person being nominated must sign the nomination form. Although the nominee must be aware of their nomination, the signing requirement may be a deterrent or barrier in submitting the form for those members of the community who are most deserving but are not present when the form is completed.

The revised policy is attached for Council’s consideration.

Dear Mayor Holden:

Thank you for your October 23, 2023 letter regarding engine retarder brakes. As Minister of Transportation and Economic Corridors, I am able to provide the following information.

I recognize that traffic noise can impact the lives of those living along provincial highways. Engine retarder brakes are used in many heavy trucks to provide increased driving safety in normal and difficult weather and road conditions. Restricting the use of engine retarder brakes have a safety implication since truck drivers often rely on engine retarder brakes in controlling their vehicles under various situations.

As you mentioned, there are no provincial regulations against the use of engine retarder brakes, and installing the signs asking drivers to avoid their use is strictly voluntary. If commercial vehicle drivers feel the engine retarder brakes are beneficial, they will continue to use them regardless of the posted signs.

While I am sympathetic to the people subjected to the noise created by engine retarder brakes, there are legal/liability concerns with prohibiting the use of what are considered part of the vehicle's safety equipment and more efficient braking performance. As such, the department is not considering modifying the existing province-wide practice.

Alternatively, to further support noise reduction in the Town of Bon Accord, you may want to consider placing other noise reduction buffers (noise barrier wall, dirt berm, planting of large trees etc.) outside of the highway right-of-way to help reduce noise for residents.

**Re: Shared Funding Model Sturgeon Victim Services**

**Funding Request**

On December 1, 2023, Sturgeon Victim Services submitted a letter of request for a grant extension to secure finances for a period of six months. This would commence April 01, 2024, to September 30, 2024, resulting in 50% of previous annual funding.

On December 12, 2023, the Provincial Government proposed a four-month transition of Sturgeon Victim Services to the new zonal model commencing April 1, 2024, to July 31, 2024. This proposal includes provincial funding for all existing budgeted expenses. Sturgeon Victim Services accepted the proposal. Therefore, Sturgeon Victim Services is no longer requesting a grant extension from the municipalities that we serve that being: Sturgeon County, Morinville, Bon Accord, Legal and Gibbons.

It is with deep gratitude that we acknowledge the generous support consistently provided by our local municipalities.

As our organization transitions, our commitment to support victims of crime and trauma is paramount and we foresee no service delivery interruptions.

Sincerely,

A handwritten signature in black ink that reads "Elisabeth Melvin".
