# Appointing Councillors to the Municipal or Intermunicipal Library Board

## A Fact Sheet for Alberta Public Library Boards

---

Municipal councils select individuals from their communities to sit on the municipal or intermunicipal library board. These individuals are appointed to the library board to ensure comprehensive and efficient library services are provided to the community. Councils appoint individuals with unique skills and perspectives to create a competent, well-rounded library board.

### Councillor Appointments

Councils may appoint up to two councillors to a library board. It is not mandatory that council appoint any councillors to the library board. Councillors from neighbouring municipalities appointed to the board do not count against the two councillor limit. Only the municipal council that established the library board has the authority to appoint members.

Councillors, like any other board member, are appointed for a term not exceeding 3 years. If council wishes to have an individual on the board for longer than 3 terms, 2/3 of the majority of council must vote in favour of re-appointing that individual for another term. This 2/3 majority vote must occur every time the individual is re-appointed.

Councillors appointed to the library board have the same role and responsibilities as all other board members, and should not be referred to as “council representative” or similar. An individual on the library board who also happens to be a councillor does not automatically become the liaison to council.

Typically, the library board chair is the individual delegated to communicate with council. Board members who are also councillors can vote, may be elected by their fellow board members to positions (such as chair, secretary, treasurer, etc.), and are ultimately jointly responsible for managing the affairs of the library board.

### Board Member Responsibilities

Municipal councils appoint *individuals* to library boards, not representatives or positions. There is no seat on a municipal or intermunicipal library board reserved for council. All board members are responsible to act in the best interest of the library and the community it serves, regardless of any other roles or positions they may hold. They should not act as a representative of the municipality or any other group or organization. Board members may bring skills and knowledge from these other roles, but represent only themselves and their own views when it comes time to vote or make decisions.

Councils may not appoint alternates to these library boards because an alternate cannot represent the views of another individual.

The library board is an autonomous corporation. It is a separate body from the municipality, and has full management and control of library services in the community. When a councillor is appointed to the library board, they are appointed as an individual. Thus, should they cease to be on council, it is important to note that they remain appointed to the library board until their term expires or they are unappointed by council. Should a board member miss three consecutive library board meetings without approval by motion of the rest of the board, said board member will automatically be removed from the library board.

<b>Title:</b>	<b>Legal Counsel</b>
<b>Agenda Item No.</b>	4.3.5

**BACKGROUND/PROPOSAL**

It is recommended that Council officially appoint legal counsel each year at the Organizational Meeting.

Secondly, it is also recommended that a municipality appoint a secondary law firm. This addresses situations when the Town's primary legal counsel is being utilized by the other party or when the Subdivision and Development Appeal Board requires legal counsel.

**DISCUSSION/OPTIONS/BENEFITS/DISADVANTAGES**

**Primary Legal Counsel:**

Lidstone and Company (Barristers and Solicitors) is a municipal law firm that is experienced in providing legal services to municipalities.

Staff have consulted with lawyers from Lidstone over the past year and have attended workshops provided by one of their lawyers. The quality of the information provided and prompt response to inquiries has been both helpful and impressive. Additionally, their fee structure and billing practices are in alignment with the Town's budget capacity.

Therefore, administration recommends that Council appoint Lidstone and Company (Barristers and Solicitors) as primary legal counsel for the Town for a second year.

**Alternate Solicitors:**

For the past several years, the Town has appointed Reynolds, Mirth, Richards, and Farmer LLP as alternate legal counsel. This firm is also an experienced and respected municipal law firm.

Additionally, the Town may consult with other legal firms for a second opinion as needed or for an area requiring specific expertise and Council will be advised accordingly.

Associated Engineering has also provided oversight of the 2023 new Ice Plant project and the 2023 Road Rehabilitation Projects.
