CALL TO ORDER

Mayor Hutton called the meeting to order at 8:30am.

ADOPTION OF AGENDA

DEPUTY MAYOR HOLDEN MOVED THAT the agenda for the April 2, 2019 Regular Meeting of Council be adopted, as amended, by adding the following Notice of Motion for the April 16, 2019 Regular Meeting of Council:

I, Councillor Tanya May would like to bring forward a notice of motion in regard to allowing ATV/Off road Vehicles to ride in our community.

There are many benefits to passing this motion such as:

Machines will be registered and insured.

This would also help to ensure people are not just pulling their plates off the vehicles.

We could promote the town as being ATV friendly.

More convenient for citizens that wish to ride to the gas station for fuel rather than loading their vehicles up to get gas.

This could be a new and exciting change for the residents.

Could possibly increase the flow of people coming through our town.

If they must register and insure, they will be easier to catch.

More people could contribute to the community, by plowing sidewalks and areas that are usually missed in winter. Without the fear of being given a ticket.

I know that there would have to be few bylaws put into place such as:

Must be registered and insured.

Must have proper safety equipment.

Times as to when acceptable.

There are many pros and cons that are not listed in this letter of motion. I feel this could be a new and positive change for our community. I know there has been talk about a petition being started, so I believe this would be supported in our community. I would love to hear everyone's feedback regarding this letter.

I believe the notice of motion should be:

1. Council approves ridding of Off road Vehicles with in town limits as long as bylaws are followed
2. Council does not approve ridding of Off road Vehicles in town limits.
