TOWN OF BON ACCORD
REQUEST FOR DECISION

| | |
|------------------------|--|
| Meeting: | Special Meeting of Council |
| Meeting Date: | February 2, 2026 |
| Presented by: | Terry Doerkson, Infrastructure Manager |
| Title: | Purchase of New Floor Scrubber for the Arena |
| Agenda Item No. | 3.1 |

BACKGROUND/PROPOSAL

The commercial floor scrubber at the arena has recently broken down completely. This is a key piece of equipment used daily by the arena staff. Replacement of this unit as soon as possible is recommended. In December, Council approved \$6000.00 towards the purchase of a new floor scrubber in the 2026 interim capital budget. Any capital purchases within the interim period must receive an RFD ratification from Council, hence this request today.

DISCUSSION/OPTIONS/BENEFITS/DISADVANTAGES

The previous scrubber was a Karcher model originally purchased by the community league. In the 17 years of its operation, the scrubber was in for servicing twice, once paid for by the community league, and once by the Town.

Since then, the Town has replaced parts and serviced what we could. Parts for this model are now no longer available.

The brand of the old floor scrubber, Karcher, is known for making superior quality machines (shown by the number of years of service of the old one). Administration suggests that the Town purchase a similar model of the same brand as a replacement.

A slightly used “demo” unit has been located locally and offered to the Town at a decent price compared with other local suppliers. It comes with the full warranty plan. The unit is presently being tried out at the arena, free of charge.

The Town’s price for the unit would be \$9,880.00 +GST. Presently there is \$6000.00 allotted for a floor scrubber in the interim budget. Therefore, \$3,880.00 would have to come from another source.

There are other walk-behind floor scrubbers ranging from \$5000 to \$10,000 of various brands of which their quality is unknown. The purchase price of other units would probably require extra funding above the \$6000.00 already slated, as with the Karcher.

STRATEGIC ALIGNMENT

Value Statement of Professionalism

- Administration and Council manage the affairs of Bon Accord in a competent, reliable manner, to maintain a safe and prosperous community to work and live.

COSTS/SOURCES OF FUNDING

\$9,880.00 \$6000.00 from LGFF grant in the 2026 Capital interim budget
 \$3,880.00 from Recreation Reserve Funding (recommended)

RECOMMENDED ACTION (by originator)

Choose one of the following:

THAT Council approves the purchase of the Karcher floor scrubber at a cost of \$9880.00 with \$6000.00 of it from the LGFF grant in the 2026 capital interim budget and the remaining \$3,880.00 coming from Recreation Reserve funding.

Or

Council approves the purchase of the Karcher floor scrubber at a cost of \$9,880.00 with \$6000.00 of it from the LGFF grant in the 2026 capital interim budget and the remaining \$3,880.00 coming from....

Or

Council approves the purchase of a walk-behind floor scrubber valued no more than \$6000.00 to be funded by the LGFF grant in the 2026 capital interim budget.
