Responsibility

The R.C.M.P. are responsible for law enforcement in rural Alberta.

They patrol large areas with an ever-increasing population as more people move to rural communities.

The Morinville R.C.M.P. Detachment has about 20 officers to look after Sturgeon County region assisted by Sturgeon County Peace Officers. They cover an area of 2,109 square kilometers with a population of over 34,000 which includes acreages, farms, hamlets, rural subdivisions, and towns: Bon Accord, Gibbons, Legal, Morinville, and Redwater.

"They can't be everywhere at once."

That's where Sturgeon Rural Crime Watch Association (SRCWA) comes in. We become additional eyes and ears for our community. We observe, document, and report suspicious activities to the R.C.M.P.

You do that anyway, when you are a member of the SRCWA there is a difference.

"Organized crime watches reduce criminal activity."

Communication A two-way street!

You are added to our fan-out list. This means you will receive emails from SRCWA informing you of criminal activity or requesting assistance in solving active incidents that require details you may have observed in your daily activities. Being a member does not take up a lot of your time. It goes a long way to making Sturgeon County a safer place to live. The more members we have, the more effective we are in stopping crime.
